

A close-up photograph of a waterfall cascading over several large, mossy rocks. The water is clear and creates white foam as it falls. The rocks are dark and wet, with patches of bright green moss. The background is slightly blurred, showing more of the rocky terrain and the flow of the water.

**Numbers 11:13 Whence should I
have flesh to give unto all this
people? for they weep unto me,
saying, Give us flesh, that we may
eat.**
