

**Numbers 16:13 Is it a small thing  
that thou hast brought us up out of  
a land that floweth with milk and  
honey, to kill us in the wilderness,  
except thou make thyself  
altogether a prince over us?**

A close-up photograph of a vibrant pink lotus flower in full bloom, floating on a dark, still pond. The flower's center is a bright yellow, surrounded by numerous stamens. The petals are layered and have a soft, velvety texture. In the background, several large, green lily pads are visible, some with brown spots, floating on the water's surface. The overall scene is serene and natural.
