

A close-up photograph of a green leaf with a brown dragonfly resting on it. The dragonfly is positioned diagonally across the leaf, with its head towards the top left and its tail towards the bottom right. The leaf is vibrant green with visible veins and some small holes, suggesting it has been eaten by an insect. The background is a soft, out-of-focus green, creating a natural and serene atmosphere.

LORD hath sent me to do all these  
works; for I have not done them of  
mine own mind.**
