

A decorative garden stream flows through a landscaped area. The stream is bordered by smooth, light-colored stones. On the left bank, there are tall, thin green plants and clusters of bright pink flowers. On the right bank, there are more green plants and a large cluster of bright yellow flowers. The water in the stream is clear and blue. The background shows a paved walkway and some greenery.

**Numbers 18:11 And this is thine;  
the heave offering of their gift,  
with all the wave offerings of the  
children of Israel: I have given  
them unto thee, and to thy sons  
and to thy daughters with thee, by  
a statute for ever: every one that is  
clean in thy house shall eat of it.**
