

A close-up photograph of several large, vibrant pink hydrangea flowers. The petals are layered and have a soft, velvety texture. In the center of the flowers, the stamens and pistils are visible, showing a mix of purple and yellowish-green hues. The background is dark and out of focus, making the flowers stand out prominently.

gone out of Heshbon, a flame from
the city of Sihon: it hath consumed
Ar of Moab, and the lords of the
