

Numbers 28:10 This is the burnt offering of every sabbath, beside the continual burnt offering, and his drink offering.

A decorative water wheel is the central focus, partially submerged in a pond. Water flows over the top of the wheel and cascades down its spokes, creating a small waterfall effect. The wheel is made of dark, possibly metal or stone, material with a complex, lattice-like structure. The pond is surrounded by lush greenery, including tall reeds on the left and various leafy plants on the right. In the background, there are more trees and a large rock. The overall scene is bright and sunny, with clear reflections on the water's surface.
