

**Numbers 31:22 Only the gold, and
the silver, the brass, the iron, the
tin, and the lead,**

A close-up photograph of golden wheat stalks, with the text overlaid in white. The wheat is in sharp focus, showing the intricate details of the grain heads and the long, thin awns. The background is a soft, out-of-focus field of similar wheat, creating a sense of depth and texture. The lighting is warm and natural, highlighting the golden-brown hues of the grain.
