

Numbers 10:15 And over the host of
the tribe of the children of
Issachar was Nethaneel the son of
Zuar.

A close-up photograph of a rocky ground. The foreground is filled with dark, jagged, greyish-black rocks of various sizes. Several green plants with serrated, heart-shaped leaves are growing from the rocks. Some of these plants have prominent, reddish-brown stems. In the background, there are more green plants and thin, reddish-brown stems that appear to be part of a larger, more complex plant structure. The lighting is bright, suggesting a sunny day, and the overall scene is a natural, outdoor setting.
