

A photograph of a deer with large, velvet-covered antlers resting on a log in a forest. The deer is facing right, and its body is partially obscured by the text. The background is a dense forest with sunlight filtering through the trees.

**Micah 02:04 In that day shall one
take up a parable against you, and
lament with a doleful lamentation,
and say, We be utterly spoiled: he
hath changed the portion of my
people: how hath he removed it
from me! turning away he hath
divided our fields.**
