

Micah 07:04 The best of them is as  
a brier: the most upright is sharper  
than a thorn hedge: the day of thy  
watchmen and thy visitation  
cometh; now shall be their  
perplexity.

A close-up photograph of a branch of purple flowers, likely lavender or lilac, with green leaves in the background. The flowers are in sharp focus, showing their intricate structure, while the background is blurred, creating a bokeh effect.
