

A close-up photograph of a pink lily flower. The petals are a vibrant pink color with small, dark spots scattered across them. The center of the flower shows several stamens with long, thin filaments and dark, oval-shaped anthers. The background is softly blurred, showing more of the flower and some green foliage.

**Habakkuk 01:03 Why dost thou
show me iniquity, and cause me to
behold grievance? for spoiling and
violence are before me: and there
are that raise up strife and
contention.**
