

A vibrant, long-exposure photograph of a waterfall cascading over moss-covered rocks in a dense forest. The water is blurred, creating a soft, ethereal effect. A large, weathered log lies across the foreground, partially submerged in the water. The surrounding rocks and foliage are covered in bright green moss, adding to the lush, natural atmosphere.

**Zechariah 11:07 And I will feed the
flock of slaughter, even you, O
poor of the flock. And I took unto
me two staves; the one I called
Beauty, and the other I called
Bands; and I fed the flock.**
