

**Deutronomy 02:23 And the Avims  
which dwelt in Hazerim, even unto  
Azzah, the Caphtorims, which  
came forth out of Caphtor,  
destroyed them, and dwelt in their  
stead.**

The background of the image features a dense cluster of small, light pink flowers in the lower-left and center, with dark green, feathery foliage on the right side. The overall scene is softly blurred, creating a natural, garden-like atmosphere.
