

A close-up photograph of a field of aster flowers. The flowers are in various stages of bloom, with some showing vibrant purple petals and bright yellow centers, while others are in earlier stages or have faded to a pale lavender. The background is a dense thicket of green leaves and stems, with some yellowing leaves visible, suggesting a natural, slightly wild setting. The lighting is soft and even, highlighting the delicate structure of the petals.

**Deuteronomy 11:16 Take heed to  
yourselves, that your heart be not  
deceived, and ye turn aside, and  
serve other gods, and worship  
them;**
