

A close-up photograph of several bright yellow sunflowers. The petals are vibrant and layered, with some showing signs of being eaten. A small black bee is visible on one of the petals in the center. The background is softly blurred, showing more of the sunflowers and some green foliage.

Deutronomy 12:28 Observe and
hear all these words which I
command thee, that it may go well
with thee, and with thy children
after thee for ever, when thou
doest that which is good and right
in the sight of the LORD thy God.
