

A close-up photograph of a rock pool. The water is dark and still, reflecting the surrounding rocks. Several colorful sea stars are visible, including one with prominent orange and blue stripes and another with a mottled pattern. A sea slug with a blue and white pattern is also present. The rocks are dark and textured, with some lighter-colored patches.

Deuteronomy 32:13 He made him
ride on the high places of the earth,
that he might eat the increase of
the fields; and he made him to
suck honey out of the rock, and oil
out of the flinty rock;
