

**Mark 13:10 And the gospel must
first be published among all
nations.**

A close-up photograph of a large, fully bloomed white rose. The petals are numerous and layered, with a soft, creamy white color. The center of the flower is filled with bright yellow stamens. The rose is surrounded by dark green, serrated leaves, which are slightly out of focus compared to the flower. The background is a deep, dark green, making the white rose stand out prominently.
