

Mark 14:04 And there were some that had indignation within themselves, and said, Why was this waste of the ointment made?

A photograph of a garden path. The path is paved with light-colored rectangular stones and is flanked on both sides by white wooden trellises. The trellises are heavily laden with climbing roses, many of which are in full bloom and have bright red petals. The path leads into the distance, where it curves slightly to the right. In the background, there are green trees and a clear blue sky. The overall scene is bright and colorful, suggesting a sunny day in a well-maintained garden.
