

A close-up photograph of a raspberry bush. The raspberries are in various stages of ripeness, with some being bright red and others still green or partially red. The raspberries are clustered together and are supported by a blue plastic trellis. The leaves are green and have serrated edges. The background is a soft-focus green, suggesting a garden or field setting.

Mark 15:08 And the multitude  
crying aloud began to desire him  
to do as he had ever done unto  
them.
