

**Mark 10:01 And he arose from
thence, and cometh into the coasts
of Judaea by the farther side of
Jordan: and the people resort unto
him again; and, as he was wont, he
taught them again.**

A scenic view of a rocky coastline. In the foreground, a large, dark, craggy rock formation stands on a sandy beach. The ocean is a deep blue-green color, with white-capped waves breaking against the shore. In the background, a forested hillside rises above the water, and a small, rounded rock formation is visible in the distance. The sky is a clear, bright blue.
