

A photograph of a garden. In the foreground, a tomato plant is growing vertically on a green metal cage. The plant has many green leaves and several small, unripe green tomatoes. To the right of the tomato plant, there are rows of leafy green vegetables, possibly chard or spinach, growing in a garden bed. The ground is dry and sandy. In the background, there is a white building and some trees under a clear sky.

Luke 19:44 And shall lay thee even
with the ground, and thy children
within thee; and they shall not
leave in thee one stone upon
another; because thou knewest
not the time of thy visitation.
