

A monarch butterfly with its characteristic orange and black wings is the central focus of the image. It is positioned on a light-colored, wet surface, likely a leaf or a piece of paper, which is covered in numerous small, glistening water droplets. The background is a warm, golden-brown color, suggesting a sunset or a similar natural setting. The text is overlaid on the image in a white, serif font, centered and spanning most of the width of the image.

Luke 06:49 But he that heareth,
and doeth not, is like a man that
without a foundation built an
house upon the earth; against
which the stream did beat
vehemently, and immediately it
fell; and the ruin of that house was
great.
