

A rustic wooden fence made of weathered logs and posts runs across the middle of the frame. In the foreground, there are green, sword-shaped leaves of plants, possibly irises. In the background, a small bird is perched on one of the fence rails. The scene is set outdoors with trees and foliage in the distance.

that, as they went in the way, a
certain man said unto him, Lord, I
will follow thee whithersoever
thou goest.**
