

A photograph of a pumpkin patch. In the center, a large, smooth, yellow pumpkin sits on the ground. It is surrounded by large, green, lobed leaves, some of which have small holes. Several bright yellow flowers are visible, some in full bloom and some as buds. The background shows more of the pumpkin plants and the soil.

John 11:13 Howbeit Jesus spake of his death: but they thought that he had spoken of taking of rest in sleep.
