

A close-up photograph of a small stream flowing over dark, wet rocks. The water is clear and creates white foam as it tumbles over a rock in the center. A large, weathered log lies in the foreground on the left side, partially submerged. The background is dark and out of focus, showing more rocks and some green grass. The overall scene is natural and serene.

John 11:24 Martha saith unto him, I know that he shall rise again in the resurrection at the last day.
