

A photograph of a light-colored, rectangular stone resting on a bed of dark soil and dry twigs. The stone has a light blue or greyish-green painted area on its top surface. Within this painted area, the word "GROW" is written in large, green, stylized capital letters. Below the word, there are several small, white daisy-like flowers with yellow centers, and a cluster of small green leaves. To the right of the stone, a dark shadow of a person's legs and feet is cast onto the ground, suggesting the person is standing nearby. The background is filled with natural elements like twigs and soil.

John 03:08 The wind bloweth
where it listeth, and thou hearest
the sound thereof, but canst not
tell whence it cometh, and whither
it goeth: so is every one that is
born of the Spirit.
