

A close-up photograph of a bouquet of vibrant red roses. The roses are in various stages of bloom, with some fully open and others as buds. The petals are a rich, deep red color. Interspersed among the roses are green leaves and fern-like foliage, adding texture and contrast to the composition. The background is dark and out of focus, making the flowers stand out prominently.

John 04:42 And said unto the woman, Now we believe, not because of thy saying: for we have heard him ourselves, and know that this is indeed the Christ, the Saviour of the world.
