

John 09:17 They say unto the blind man again, What sayest thou of him, that he hath opened thine eyes? He said, He is a prophet.

A close-up photograph of a sea anemone. The anemone has many long, thin, yellowish-green tentacles that are slightly curved and pointed. It is attached to a dark, textured surface, possibly a rock or a piece of coral. The background is dark and out of focus, showing some brownish, fibrous structures. The lighting is soft, highlighting the texture of the tentacles.
