

A photograph of two cantaloupes growing on a vine. The cantaloupe in the foreground is large and has a prominent, light-colored netted pattern on its greenish-brown skin. It is surrounded by large, green, lobed leaves. The soil is dark brown and appears to be in a garden or field setting. The background shows more of the vine and leaves, slightly out of focus.

**John 09:34 They answered and said  
unto him, Thou wast altogether  
born in sins, and dost thou teach  
us? And they cast him out.**
