

An aerial photograph of a wide river valley during sunset. The sun is low on the horizon, casting a warm glow over the landscape. A hot air balloon is visible in the sky on the left side. The river winds through the valley, and there are some buildings and roads visible in the lower left. The sky is filled with soft, wispy clouds.

**Romans 01:27 And likewise also
the men, leaving the natural use of
the woman, burned in their lust
one toward another; men with
men working that which is
unseemly, and receiving in
themselves that recompense of
their error which was meet.**
