

A close-up photograph of a bouquet of vibrant red roses. The roses are in various stages of bloom, with some fully open and others as buds. The petals are a rich, deep red color. Interspersed among the roses are green leaves and delicate, feathery greenery, likely ferns or baby's breath, which add texture and contrast to the arrangement. The background is dark and out of focus, making the flowers stand out prominently.

unbelief they were broken off, and
thou standest by faith. Be not
highminded, but fear:**
