

A close-up photograph of a waterfall cascading over dark, wet rocks. The water is clear and creates a soft, blurred effect as it falls. The surrounding rocks are dark and glistening with moisture. In the lower right corner, there are some small green plants and moss growing on the rocks. The overall scene is serene and natural.

**Romans 07:19 For the good that I
would I do not: but the evil which I
would not, that I do.**
