

1st Corinthians 15:38 But God
giveth it a body as it hath pleased
him, and to every seed his own
body.

A photograph of a pond with water lilies and their reflections. The water is dark blue with many light-colored reflections of the sky and surrounding environment. Several green water lilies with long, narrow leaves and small, light-colored flowers are visible in the foreground and middle ground. Their reflections are clearly visible in the water below them.
