

A close-up photograph of a piece of weathered, reddish-brown driftwood lying on a sandy beach. The wood is partially covered by dark, tangled seaweed. In the center, a cluster of small, green, spherical sea urchins is visible, resting on the seaweed. The background is a soft-focus view of the beach with other pieces of driftwood and small rocks.

1st Corinthians 15:38 But God
giveth it a body as it hath pleased
him, and to every seed his own
body.
