

A close-up photograph of a pond. The water is dark, and several large, round, green lily pads float on the surface. Some lily pads have small brown spots or are partially eaten. In the center-left, a single pink lily flower is in bloom, showing its yellow stamens. The text is overlaid in white, bold, sans-serif font across the middle of the image.

**2nd Corinthians 13:04 For though  
he was crucified through weakness,  
yet he liveth by the power of God.  
For we also are weak in him, but we  
shall live with him by the power of  
God toward you.**
