

**Galatians 05:26 Let us not be
desirous of vain glory, provoking
one another, envying one another.**

A scenic view of a rocky coastline. The foreground is filled with dark green, dense foliage, likely pine trees, which frames the scene. In the middle ground, there are large, light-colored, layered rock formations that appear to be part of a cliffside or a rocky shore. The water is a vibrant blue, with white foam from waves crashing against the rocks. The background shows more of the coastline and the sky, which is not clearly visible. The overall atmosphere is bright and natural.
