

**Galatians 06:18 Brethren, the grace
of our Lord Jesus Christ be with
your spirit. Amen.**

A close-up photograph of several carnations. The primary focus is a large carnation in the center, showing its intricate, ruffled petals which are a mix of light pink, white, and dark magenta. Other carnations of similar colors are visible in the foreground and background, though they are slightly out of focus. The background is a soft, blurred green, suggesting foliage.
