

A close-up photograph of a cluster of bright pink cyclamen flowers. The flowers have five petals and are surrounded by dark green, heart-shaped leaves with prominent white variegation. The background is filled with more green foliage, including some ivy-like leaves on the left and small, round-leaved plants on the right. The overall scene is lush and vibrant.

**Ephesians 03:19 And to know the  
love of Christ, which passeth  
knowledge, that ye might be filled  
with all the fulness of God.**
