

A close-up photograph of a butterfly on a green plant branch with leaves and a brown cocoon. The butterfly is positioned at the bottom center, with its wings spread, showing a brown and orange pattern. The plant has several green leaves and a brown, elongated cocoon hanging from a branch. The background is a soft, out-of-focus green.

**Joshua 15:07** And the border went up toward Debir from the valley of Achor, and so northward, looking toward Gilgal, that is before the going up to Adummim, which is on the south side of the river: and the border passed toward the waters of Enshemesh, and the goings out thereof were at Enrogel:
