

A close-up photograph of a large, dense cluster of petunias. The flowers are in various shades of pink and magenta, with some deeper reds. The petals are trumpet-shaped and have a slightly ruffled texture. The centers of the flowers are a pale yellow or cream color. The green leaves are small and oval-shaped, interspersed among the flowers. The lighting is bright, creating strong highlights and shadows, which makes the colors appear very vibrant and saturated.

Joshua 15:61 In the wilderness,
Betharabah, Middin, and Secacah,
