

**Joshua 21:28 And out of the tribe of
Issachar, Kishon with her suburbs,
Dabareh with her suburbs,**

A close-up photograph of a small waterfall in a garden. The water is cascading over several layers of smooth, wet, brownish-grey stones. The water is clear and creates a soft, white foam as it falls. To the right of the waterfall, there are several large, green, leafy plants, possibly ferns or similar foliage, growing in a bed of dark mulch. The background is filled with more greenery, including some yellow flowers, and the overall scene is dappled with sunlight and shadow, creating a serene and natural atmosphere.
