

A vibrant orange daisy flower is the central focus, its petals radiating from a bright yellow center. The flower is held in a clear glass vase, which is partially filled with water. The vase is placed on a dark, wet rock surface. In the background, a waterfall cascades over a series of dark, jagged rocks, creating a misty and dynamic atmosphere. The overall scene is a blend of natural beauty and a still-life composition.

when they had done circumcising
all the people, that they abode in
their places in the camp, till they
