

A photograph of a flock of sheep grazing in a lush green field. The sheep are of various shades, including white, grey, and brown. They are scattered across the frame, with some in the foreground and others in the background. The grass is vibrant green and appears to be a mix of different types. In the far background, a thin wire fence is visible against a bright sky. The overall scene is peaceful and pastoral.

Joshua 09:19 But all the princes
said unto all the congregation, We
have sworn unto them by the
LORD God of Israel: now therefore
we may not touch them.
