

A close-up photograph of a pink lily flower. The petals are a vibrant pink color, speckled with numerous small, dark red or brown spots. The center of the flower features several prominent stamens with yellowish-green filaments and reddish-brown anthers. A dark, almost black, irregular spot is visible on one of the pink petals on the right side of the image. The background is dark and out of focus.

**Colossians 01:14 In whom we have
redemption through his blood,
even the forgiveness of sins:**
