

A close-up photograph of several white lily flowers. The flowers are in various stages of bloom, with some fully open and others as buds. The petals are white with subtle yellow spots. The stamens are dark brown and prominent. Green leaves are visible in the foreground and background, some with water droplets. The background is a soft, out-of-focus grey.

**1st Timothy 04:07 But refuse  
profane and old wives' fables, and  
exercise thyself rather unto  
godliness.**
