

A close-up photograph of a dense thicket of reddish-brown branches, likely from a shrub or small tree, heavily laden with snow. The branches are intricate and tangled, creating a complex web of lines. The snow is bright white and clings to the branches, contrasting sharply with the dark, almost black, background of the sky. The sky is a clear, pale blue with some light, wispy clouds. The overall scene is a winter landscape, capturing the texture and color of the snow-covered branches.

Titus 03:02 To speak evil of no man,
to be no brawlers, but gentle,
showing all meekness unto all
men.
