

A close-up photograph of a pine branch. The branch is covered in long, thin, green needles that are slightly curved. Several small, brown, cone-like structures are visible, which are likely young pine cones or buds. The background is a soft, out-of-focus blue and white, suggesting a sky or a light-colored wall. The text is overlaid on the upper portion of the image in a white, serif font.

**Titus 03:15 All that are with me
salute thee. Greet them that love
us in the faith. Grace be with you
all. Amen.**
