

A close-up photograph of several bright yellow flowers, possibly daffodils, with large, trumpet-shaped petals. The flowers are set against a dark, almost black background, which makes their vibrant color stand out. The lighting is soft, highlighting the texture of the petals. The text is overlaid on the upper portion of the image.

**James 01:18 Of his own will begat  
he us with the word of truth, that  
we should be a kind of firstfruits  
of his creatures.**
