

A close-up photograph of a branch of pink bleeding heart flowers (Dicentra spectabilis). The flowers are in various stages of bloom, with some fully open and others as buds. The petals are a vibrant pink, and the flowers have a distinctive heart shape with a white or pale pink center. The background is a soft-focus green, suggesting foliage. The text is overlaid in white, bold, sans-serif font.

1st Peter 03:04 But let it be the  
hidden man of the heart, in that  
which is not corruptible, even the  
ornament of a meek and quiet  
spirit, which is in the sight of God  
of great price.
