

A close-up photograph of several vibrant pink chrysanthemum flowers. The petals are numerous and layered, creating a full, rounded appearance. Several small, clear water droplets are visible on the petals, adding a fresh and dewy quality to the scene. The background is dark and out of focus, making the bright pink flowers stand out prominently. The text is overlaid in a white, serif font, centered across the upper portion of the image.

**Judges 11:32 So Jephthah passed
over unto the children of Ammon
to fight against them; and the
LORD delivered them into his
hands.**
